

MEMORIAL WEEKEND ALPINE AGILITY CAMP

WINTER PARK MAY 26, 27, 28 2012

WHY: With the low snow year, the reality of having our normal/traditional on snow camp at A-Basin is very questionable for a quality camp. The Alpine Staff has always tried to incorporate other sports which will lead young racers into training on their own with agility based similar ski skill type sports.

WHERE: Utilizing venues within the Winter Park/Fraser area. Rec Center, Soccer fields, parking lots.

WHAT: The plan is to utilize many of our knowledgeable and professional coaches who will be stationed around town with specific sports. Some of the plans will include: In Line Skating, rock climb wall, diving/tramp, gym and field agility, jump rope/bounding fun, along with age appropriate weight lifting. With this creative education for the athletes we hope to develop a fun routine that they will continue through the summer/fall as part of their prep for skiing.

WHO: Athletes involved with the Alpine Program with a birth year of at least 2004. (U-10 and older next season.)

HOW: A schedule will be produced to create a starting location for the day. We will use vans to transport the athletes throughout the day to different training venues. A typical day will be from 8:30 AM till 4:00 PM. Lunch, snacks will not be provided but a break for refueling the motors will be planned.

WHAT TO BRING: At this time it would be appropriate to plan on bringing swim suits/towel, field clothes including grass field shoes, gym clothes including gym shoes (non-marking), In Line skates and all productive gear. With the long day planned warm weather workout gear would be appropriate also.

WHAT ELSE: A \$25 off purchase coupon at Sports Authority to help assist with purchasing skates or other athletic equipment is part of the sign up benefit. We also would suggest bringing to our attention any out grown skates for someone who might like to purchase.

HOW MUCH: Cost for the 3 days: \$90. Drop in daily cost: \$35 per day.

We are excited to really help athletes pursue fun, agility based exercise to enhance their overall athletic skills so important in these golden years of skill development!

Undersigned are advised and understand that under Colorado law any person using a ski area for skiing, which includes, without limitation, sliding downhill or jumping on snow or ice on skis, a toboggan, a sled, a tube, a snowbike, a snowboard or any other device, or using any of the facilities of a ski area, including but not limited to ski slopes and trails, is considered a “skier” and, further, that Colorado law provides that a skier using the facilities of a ski area assumes certain “inherent dangers and risks of skiing” as defined in the Colorado Ski Safety Act (the “Act”). **NOTWITHSTANDING THE FOREGOING, UNDERSIGNED ACKNOWLEDGE, UNDERSTAND AND AGREE THAT BY SIGNING THIS AGREEMENT, UNDERSIGNED FOR HIM/HER SELF AND, IF APPLICABLE, ON BEHALF OF MINOR, ARE VOLUNTARILY ASSUMING ALL DANGERS AND RISKS OF SKIING, INHERENT OR OTHERWISE, AND ARE WAIVING RIGHTS, AND RELEASING CLAIMS IN CONNECTION WITH DANGERS AND RISKS ABOVE AND BEYOND THOSE ADDRESSED BY THE ACT.**

Undersigned agree and understand that Minor will be using ski lifts without a ski instructor or coach, Comp Center representative or other adult present. Undersigned understand that Participant must have the physical dexterity and knowledge to safely load, ride and unload the lifts. Undersigned assume the risks of riding the lifts and engaging in activities accessible from the lifts. Undersigned are advised that snowmobiles, snowmaking, snow-grooming and other equipment or vehicles may be encountered at any time and that Participant should be alert for and avoid such equipment. Undersigned understand that entering or skiing in a “CLOSED” area is illegal and more dangerous to Participant and others than skiing in open areas of the ski area. Undersigned understand that the use of ski area facilities involves risks including but not limited to all of the risks mentioned above, travel to and from venues where an Activity takes place, overnight stays in lodging facilities, sharing ski area facilities and venues with people directly involved and/or not directly involved in the Activity, other activities at the training camp, high elevation, marked and unmarked obstacles, wildlife encounters, slick or uneven surfaces, surfaces covered with ice and snow, falling trees and limbs, deep snow conditions and tree wells, unstable ice and snow including, but not limited to, slides and avalanches, rugged mountainous terrain, dehydration, overexertion, acts of other skiers and equipment malfunction. Adult acknowledges on Adult’s and Minor’s behalf that falls and collisions occur and **INJURIES or DEATH** may result from participation in any Activity.

Undersigned understand that, although Participant may be wearing a helmet, **a helmet cannot guarantee Participant’s safety** and no helmet can protect the wearer against all potential head injuries or prevent injury to the wearer’s face, neck or spinal cord. **PARTICIPANT AGREES TO WEAR APPROPRIATE SAFETY EQUIPMENT, AS ESTABLISHED BY INDUSTRY STANDARDS AND COMMON SAFETY PRACTICES, WHEN PARTICIPATING IN AN ACTIVITY. Undersigned understand that bindings may not release at all times or under all circumstances where release may prevent injury or death. It is not possible to predict every situation in which bindings will release. In snowboarding, cross-country, telemark skiing, snowblading, and ski boarding, the binding system may not be designed to release as a result of forces generated during use and will not ordinarily release during use.** Adult acknowledges on Adult’s and Minor’s behalf that falls and collisions occur and **INJURIES or DEATH** may result from participation in an Activity.

As a participant in the Activity, Participant will be involved in racing, competition, performance, demonstration or special event programs. Undersigned recognize, understand and agree that participation in such programs is more hazardous and dangerous than recreational skiing. The Undersigned further agree that as a participant in such programs, Participant is a competitor at all times, whether warming up, practicing for competition or in competition. Participant will always be provided an opportunity to conduct a reasonable inspection of the training, competition, event or race course and make his/her own decision about whether to participate, given the conditions at the time and taking into account Participant’s skill level and experience in courses or venues of similar difficulty. Undersigned understand, agree and represent that Participant will always engage in reasonable inspection and decision-making pertaining to participation. Undersigned freely **assume all risk of all course conditions** including but not limited to, course design, course construction, course layout, course terrain, course jumps, features and obstacles and course maintenance. Participant may be involved in travel to and from an Activity or events over snow or ice covered roads in inclement weather and Undersigned accept such risks.
