

COMPETITION CENTER WORK DEPOSIT/PARENT HOURS 2015/2016

What is a Work Deposit?

The purpose of the work deposit program is to insure that workers are available and motivated to assist with Winter Park Competition Center fundraisers and athletic events. The Competition Center actively pursues many events to be held at Winter Park to give our skiers and riders the home-hill advantage and to ease travel costs related to competitions at other areas. We are one of the only resorts in Colorado to keep a professional competition event staff, but still need many helpers to make the events successful while keeping costs at a reasonable level.

Work deposit hours or "Parent Hours" are time you work towards the refund of the work deposit fee that is paid in addition to the base cost of your child's program. The work deposit amount varies depending on which program your child is enrolled.

The work deposit for a **one-day Freestyle or Alpine program and all Snowboard and Freeski programs is \$200 paid in addition to the base program fee** (excluding Masters & All-Terrain Ski Programs). This means that you must work **at least 20 hours** to receive a full refund of your work deposit. If you work partial hours, you will be refunded at the rate of \$10.00 per hour.

The work deposit for a **multi-day (2 or more) ski program (except multi-day Freeski & Snowboard programs) is \$400 paid in addition the base program fee.** This means that if your child is enrolled in a multi-day ski program, then you must work **at least 40 hours** to receive a full refund. If you work partial hours, you will be refunded at the rate of \$10.00 per hour.

Each family is only charged one work deposit. If there is more than one athlete enrolled in programs requiring a work deposit the greater of the work deposits will be charged. (Example: with one athlete in a 1-day program and one athlete in 2-day program, only the 2-day program deposit will be charged.)

Work Deposit Refund

Refunds of work deposits will take place twice during the season. We will refund to the credit card originally used or mail a check. For families that **complete** their **total** hours by February 1, 2016, payment will be processed by March 1, 2016. The remainder of refunds, full or partial, will be processed by May 1, 2016. Work hours for refund credit must be completed by April 15th, 2016. Work hours earned during the summer of 2015 events will apply to 2015/2016 fees.
