

## Freestyle Coaches Bios Season 2017-2018

### Geoff Henderson, Freestyle Comp Team Head Coach

Mr. Henderson is a former Comp Center athlete and has coached for the Comp Center for over ten years. He is USSA certified for moguls (Level 100) and aerials (Level 200). Mr. Henderson is passionate about freestyle skiing and dedicated to teaching young athletes advanced aerial and mogul skiing skills and techniques. As a member of the Freestyle Comp Team coaching staff, Mr. Henderson has become proficient with athlete management, long term athletic development, trampoline and water ramp training, dryland training and course building and maintenance. He is also well-versed in jump building, jump shaping, and managing early season jumping venues and mogul lanes.

### Mallory Cleveland, Jr. Qualifier Team Head Coach

Mallory is entering her 9th year as a coach in the Competition Center but has been a part of the freestyle team for over 16 years as a coach or athlete. She currently resides in Denver where she is in graduate school to become a high school teacher. In her free time, Mallory coaches lacrosse at East High School, and spends as much time outdoors as possible. She is excited to return for another wonderful year!

### Jake Pastor, RQS / Freestyle Comp Team Coach

At age 23, I've been skiing since I was 4 years old. Growing up on the east coast in New Hampshire I began racing for Ragged Mountain. At the age of 12 I switched from racing to moguls to compete for Mount Sunapee in New Hampshire under the coaching of Mike Lovell. A new found love was formed the very first time I skied a mogul course. I continued to compete up until my senior year of high school. Last winter during my senior year of college, I was asked to come back to Mount Sunapee and assist in the coaching of the freestyle team. The largest accomplishment in my skiing career so far began this year. It was an honor being able to coach the athletes on the Winter Park Comp Center team. I can't wait to see them next winter.

## **Brett Phillippe, Comp Team Coach**

Brett Phillippe, RQS Team Coach I have to thank mom and dad for teaching me to ski when I was 18 months old. They were ski patrol at Geneva Basin which is on the south side of Guenella Pass, you can see it from Mount Bierstadt and some of the runs and a lift line form the word SKI, check it out if you are hiking in the area. I later joined the WPFST and was fortunate to have coaches who introduced me to not only Freestyle but also All Mountain and Alpine Racing as a young athlete. When I attended College at Pacific Lutheran University I was a member of the Alpine team, skiing Slalom and GS, our base was White Pass ski area on the south side of Mt. Rainier. I love the sport of skiing to its roots and am honored to be a coach for the WP Competition Center. The 2016/17 season will be my 9th season as a coach with the WPFST. I enjoy coaching athletes to be well rounded in off season training, dry land training, mental skills and water ramping in addition to on snow. USSA Mogul Level 2 and Aerial Level 2 Certified.

## **Zach Strande, RQS Team Coach**

Growing up Zac has spent a large amount of time on skis. At age two his parents first had him skiing, he has loved it ever since. He has grown up in the Winter Park Competition Center, starting in the Devo program and climbing all the way up and out of the Juniors program. The end of his competitive career came at age 18, when he graduated high school and decided to pursue a degree at Colorado State University. At this point he decided he wanted to give back to the community and program that gave him so much for so many years. Zac first started coaching as a sub and part time Devo coach, this past season he has joined the RQS team and looks forward to many more seasons with the kids!
